Hi [redacted]

I've just confirmed with Hill's and they are very happy to go ahead with the quiz night on 28 November too, so we'll get the plans underway!

Yes [redacted] is already set up for payment and it shouldn't be a problem to avoid the use of the word "sponsorship" on the invoice. I'm including Ellaine Hislop from the Vet Trust in this email as all sponsorship money goes through the Vet Trust.

Regards,

Kelly

Hi Kelly,

Thanks for your email, I have discussed it with our [redacted] brand manager [redacted] and we are very happy to pursue co-sponsorship with Hills at a cost of $1675 plus GST. I believe that Murdoch is already set up at a vendor for payment from [redacted] If so then we just need an invoice with the total amount on it, however we request that the word 'sponsorship' isn't used – perhaps it could be called 'catering'?

If you could send the invoice to [redacted] that will allow the most efficient processing. Any further questions please let [redacted] or myself know!

Kind Regards,
[redacted]

Dear [redacted]

Thank you for [redacted] support of Dermclub.

Mandy and I have discussed this further and we are thinking that it would be best to hold the quiz night at the end of the year like we did last year. Our final Dermclub for the year is scheduled for Wednesday 28th November and will be sponsored by Hill's. We were thinking it might work best to consider turning this session into the big end of year quiz night and have co-sponsorship by [redacted] and Hill's. I have not yet discussed this with Hill's as wanted to confirm whether this is of interest to [redacted] first. The co-sponsorship amount for the quiz night would be $1,675 plus GST. Since we would have a long lead time for marketing we could start advertising early and [redacted] and Hill's reps could encourage vet clinics to get together and make up a table.

Please let me know what you think.

Regards,

Kelly

Dear [redacted]

Many thanks for the news regarding the sponsorship of the quiz night.

I will ask you to liaise with Kelly Hall from the CVE office regarding the payment for this

The dermatology clinic and the CVE office will be in touch closer to the event with more details

Thanks again; it was great fun last year and I am sure it will be the same combination of entertainment and learning that it was in 2011

Thanks again

Mandy

Hi Mandy,

Great news, [redacted] are very keen to sponsor another quiz night at the end of the year!

Could you let me know how you have previously received the funding? Have you generated an invoice that we process? Alternatively we can make a payment to you via American Express or does that get a bit messy?

Thanks,
[redacted]

Dear [redacted]

It was lovely to meet you as well

I have attached the abstract for the Nocardia case

Regarding the Toxoplasmosis article by Linda Vogelnest, here is a link to the proceedings

I am very appreciative of the commitment to support a quiz night for 2012. That is fantastic

I look forward to hearing from you regarding this

Hi Mandy,

It was great to see you last week, thanks again for your time!

Would you be able to send me the abstract for the Nocadia paper, and the reference from Linda Vogelnest about Toxoplasma? (I think you said she wrote a good overview?)

I will have a chat to the relevant people about Novartis sponsoring a second dermclub so that you can repeat the trivia night this year, I'm sure it will be fine, I'll let you know asap!

Thanks,
Kind Regards,

Dear [redacted]

Thank you very much for the email and apologies for the delayed reply. We were really busy last week in the clinic and I am behind on my correspondence

I would be delighted to meet your new representative, [redacted] and yourself

I could make myself available on Wednesday afternoon at 2pm for approximately 30 minutes; would this suit you both?

Kind regards

Mandy

Dear Mandy,

I hope that 2012 has been off to a good start for you!

I will be visiting Perth next week and would like to know if you possibly have time for a brief visit from our new Novartis sale representative for Perth, [redacted] and myself. I'd just like to introduce you to [redacted] and touch base on Dermclub for 2012 to make sure we are doing everything we can to be of assistance.

Any time Tuesday, Wednesday or Thursday would be fantastic if possible.
