I have a meeting with Kelly on Monday 12th March at 10am, and hope to bring Katy with me to this meeting to introduce her.
> So that Katy knows as far in advance as possible the events she should attend, can you provide me with a calendar of all the occasions for 2012 when it would be desirable to have a Hill's representative present? She probably won't be able to get to all of them, but if I give her lots of notice she can plan accordingly.
