A pity you won't be around, but I will certainly be back later in the year, and look forward to catching up then.
I am sure an email did arrive about the books - emails do mysteriously disappear from my archives. I was just seeking reassurance that they had arrived really, as I know you were anxious about them for a bit.

Hi [redacted]

The badging ceremony went very well. Thank you so much for your support. I have some picture being sent to me that I will forward on when received.

Apologies for not notifying you that the books had arrived. As I was away from the office in the days leading up to the event, I had asked an assistant to email you when they arrived, so sorry this wasn't done. I can assure you that they did arrive, and were handed out to the 5th years as part of the ceremony.

Unfortunately I will be away from Perth on the days you will be visiting. I look forward to seeing you on your next visit though.

Kind regards

Ellaine

Hello Ellaine,
I hope all is well in the west. Wish I could send you some of our rain.

Just a quick follow up on the badging ceremony - I hope it went well? I was looking for your email assuring me that the books had arrived and could not find it, so just wanted to check that I had not imagined that.
I will be over for the WA division conference, probably arriving 8th March and leaving 13th March. Would it be possible to schedule some time with you and Kelly on the Thursday, Friday morning or Monday?
Kind regards,
