Dear Dr Lonsdale

Today the AVA Board met to consider a recommendation to cancel your membership of the Australian Veterinary Association following a recommendation from the NSW Division that you had breached the AVA Code of Professional Conduct and that your actions were calculated to bring the Association into disrepute.

As previously notified, the material considered by the Board related only to the allegations against the Australian Veterinary Association in your email of 17 July 2003 with the subject line "Excuses and falsehoods".

The AVA Board accepted the recommendation of the NSW Division and I must inform you that your membership of the Australian Veterinary Association Limited is now cancelled, effective as of 2 March 2004.

Your name will now be removed from the AVA membership register and this information will be published in the *Australian Veterinary Journal*.

Yours sincerely

Dr Joanne Sillince  
**President**
