Dear Dr Lonsdale

The AVA Board has received a recommendation to cancel your membership of the Australian Veterinary Association from the NSW Division.

If you would like to have the opportunity to appear before the AVA Board prior to their making a decision on this recommendation, then please be at AVA House, 134-136 Hampden Road, Artarmon, on Tuesday 2 March 2004 at 11 am. As previously advised, you will not be permitted to have any legal personnel or advisors accompany you to this meeting.

It would be appreciated if you would advise me if you will be accepting this invitation no later than close of business on 1 March 2004, and would you also sign the letter delivery confirmation receipt and return it to this office.

Yours sincerely

Margaret Conley
Chief Executive Officer
