Dear [REDACTED]
As you indicated below, we are continuing to implement the process of merging faculties. Not a simple task and one that has distracted me from getting back to you about our earlier discussions. I've copied [REDACTED] [REDACTED] for Engagement and Partnerships on this email so that she is aware of our discussion (no action needed on her part).

I have attached a DRAFT agreement along the lines that we discussed earlier this year. This is intended as a starting point for discussion. If you prefer, we can do so by phone or in person, rather than by email.

We remain excited, in FVAS, by the opportunity to partner with Royal Canin in a way that is special for each of us. In addition to consideration of this proposal, how do you suggest we further consideration of a [REDACTED] [REDACTED] at the University of Melbourne?

Hope that you team wins this weekend!

Regards,

Subject: Follow-up to previous meeting

Hi [REDACTED]
I hope this finds you well and the new faculty is taking shape. Sounds like you have been very busy lately!

I am just touching base regarding our previous discussions and seeing if you and [REDACTED] have been able to put an outline of a proposal or expectations together as we look towards 2015. Please let me know how things are going and if we are nearing a point of holding another face to face meeting.

Many thanks,

Dr. [REDACTED]
