Subject: uVet Behaviour Seminar

Dear [Redacted] and [Redacted]

The University of Melbourne's Veterinary Science Faculty's successful uVet seminar series, will again be hosting a session with Dr. [Redacted] on the subject of Feline Behaviour Problems this August.

This will be an evening session commencing at 7.30pm and be based at The Truffle Duck reception centre in Geelong. With 93 registrations for this session last year, we are on track to expect a similar registration rate for 2013.

There is a limited opportunity to support this event, as such I have attached a sponsorship schedule for your perusal. If you have any queries or would like to discuss this opportunity in further detail please do not hesitate to contact me via email

Kind Regards,
